Présentation

This much-anticipated **second edition** of **REAL Skills Book 1** offers a fresh take on the four-skills integrated approach that made it so successful. The **updated high-interest themes** help high-beginner to low-intermediate students of English as a second language stay engaged while broadening the scope of their everyday lives. New and improved elements join the most appreciated features from the first edition.

- A visually-appealing **magazine design** keeps the material current and engaging.
- Varied, level-appropriate **reading, video, and audio selections** give students hands-on practice in real situations and contexts.
- **Reading for Strategy, Reading for Interaction, Reading for Challenge** provide new targeted reading practice.
- Expanded comprehensive **Writing Files** from paragraph to essay include **revising and editing** exercises.
- **In Words** and **vocabulary-building** sections focus on vocabulary acquisition.
- Useful **Grammar Link** and **How To** boxes give students clear, helpful information on the correct language to use and the appropriate strategies to apply.
- Language-appropriate **pronunciation** exercises are in the book and online for continuous practice.
- **New integrated web links** lead to additional material offered on [*i+* Interactive logo].
- The **Annotated Teacher's Edition** includes an answer key for all activities as well as pedagogical notes to help teachers expand on and enhance the material.

THE POWER OF AN EXCEPTIONAL DIGITAL TOOL

Explore the themes further with interactive workshops that include more than 700 questions plus additional reading, audio, and video material.

Students get automatic feedback and scoring while teachers are able to annotate the eBook, electronically follow students' progress, and create their own online interactive activities.

This **powerful digital tool** sets a new standard for ESL teaching and learning.

Auteurs

Angelika Brunel

Angelika Brunel has taught English as a Second Language for over 15 years at Collège Ahuntsic in Montréal, Québec. She holds a B. Ed. with a specialization in TESL from Concordia University, where she also studied Applied Linguistics at the Master's level.

Angelika has authored and co-authored numerous works in English.

Becky McKnight

Becky McKnight obtained a B.A. in English Literature and TESL Certificate from Carleton University. She also holds an M.A. in Applied Linguistics from Concordia University. She has taught at Concordia University, Bishop's University, and O'Sullivan College, and currently teaches at Cégep Saint Jean-sur-Richelieu.
