### Présentation

This much-anticipated **second edition** of REAL Skills Book 3 offers a fresh take on the four-skills integrated approach that made it so successful. **Contemporary themes** inspire reflection and help high-intermediate to advanced students of English as a second language broaden the scope of their daily lives. New and improved elements join the most appreciated features of the first edition.

- Challenging authentic reading, **video, and audio selections** are accompanied by activities adapted to students' level.
- **Reading for Strategy, Reading for Interaction, and Reading for Challenge** provide targeted reading practice.
- Expanded **Writing Files** cover writing and improving essays, and provide revising and editing practice. The special characteristics of four essay types are compared, including thesis statements.
- The **Anthology** is composed of six different **Canadian texts** (a movie review, a poem, a song, an editorial, a short story, and a play), and reviews the various features of each text type.
- **Literary Device** explains and applies a literary device in context.
- **Between the Lines** has students think critically about the texts they have read.
- **Idioms** and **Vocabulary** sections focus on vocabulary acquisition.
- Useful **Grammar Link** and **How To** boxes give students clear, helpful information on the correct language to use and the appropriate strategies to apply.
- Language-appropriate **Pronunciation** exercises are in the book and online for continuous practice.
- Integrated web links lead to additional material offered on *i+ Interactif*
- The **Annotated Teacher's Edition** includes an answer key for all activities as well as pedagogical notes to help teachers personalize and enhance their material.

## A COMPREHENSIVE DIGITAL SOLUTION

Explore the themes further with interactive workshops that include more than 600 questions plus additional reading, audio, and video material.

Students receive immediate feedback and scoring while teachers are able to annotate the eBook, electronically follow students' progress, and create their own online interactive activities.

Teachers can display or hide answers and notes embedded in the Teacher's Edition Answer Key for a more active learning experience in the classroom.
